Dear Mr. Steele:

On July 21, 2003, we received a courtesy copy of a letter from the Utah Division of Oil, Gas and Mining (UDOGM), who is reviewing a large mine plan for your operation located in Section 24, T. 13 S., R. 2 W. We have not received a copy of the Plan, and are reminding you that your existing operation has exceeded five acres of un-reclaimed disturbance; thus, according to 43 CFR 3809.21(a), you may no longer operate under a Notice. Before you commence any activity that would disturb any additional surface resources, you must have an approved Plan of Operations (Plan) and reclamation bond in place. Please submit the Plan within 30 days of receipt of this letter. Failure to do so may result in a nullification of your notice, or a suspension order as authorized in §§ 3809.601 and 602.

If you have any questions, please feel free to contact Jerry Mansfield at (435) 743-3125.

Sincerely,

Rex Rowley  
Field Office Manager
